

Unresolved questions / issues for CEDRS Report Documentation project

Report Title	Column Label	Column Description	Column Source	ISSUE
Novel Coronavirus Listing (New Parameter)	Vaccine Break Through Y/N	Was the patient a breakthrough case? i.e. >14 days between last vaccine dose and collection date. Yes No	VaccineBreakthrough	TYPO: Though instead of Through. And shouldn't Breakthrough be one word?
COVID-19 Deaths Listing	Age Type	Age unit, e.g. Years, months, weeks or days.	AgeType	TYPO in column header (Agetype vs Age Type)
COVID-19 Listing with Surveillance Form Fields	Stay ICU or CCU	Patient stayed in ICU or CCU. Yes No Unknown.	StayICUorCCU	Surv.ICU referenced in SQL code does not exist in SurveillanceFormCovid19 ("surv"). ICU_SurvForm however does exist. I suspect an error in SQL code.
	Created Date 1	Employment Created Date 1	CreatedDate	What does this mean? Date they started at that employer?
	Created Date 2	Employment Created Date 2	CreatedDate	What does this mean? Date they started at that employer?
	Event ID Contact Symptomatic	CEDRS EventID for the symptomatic contact to the patient	EventIDContactSymptomatic	TYPO in column label (IDContact vs ID Contact)
	Event ID Contact Confirmed	CEDRS EventID for the COVID19 positive contact to the patient	EventIDContactConfirmed	TYPO in column label (IDContact vs ID Contact)
COVID-19 Listing with Surveillance Form Fields V2	Symptoms	Did the patient have any symptoms? Yes No unknown	Symptoms	Report title is missing the "V2" Different from V1 report
	Admit Date1	Date of first admission	AdmissionDate	TYPO in column name (Admitdate# vs Admit Date #)
	Admit Date2	Date of second admission	AdmissionDate	TYPO in column name (Admitdate# vs Admit Date #)
	Admit Date3	Date of third admission	AdmissionDate	TYPO in column name (Admitdate# vs Admit Date #)
	Stay ICU or CCU	Patient stayed in ICU or CCU. Yes No Unknown.	StayICUorCCU	TYPO in column name (ICUor vs ICU or). ALSO Surv.ICU referenced in SQL code does not exist in SurveillanceFormCovid19 ("surv"). ICU_SurvForm however does exist. I suspect an error in SQL code.
	ICU Admission Date	Date patient was admitted to ICU	ICUAdmissionDate	TYPO in column name (ICUAdmission vs ICU Admission)
	ICU Discharge Date	Date patient was discharged from ICU	ICUDischargeDate	TYPO in column name (ICUDischarge vs ICU Discharge)
	Correctional Facility 2 Plus Weeks ID	Yes No Unknown	CorrectionalFacility2PlusWeeksID	TYPO in column name (Facility2Plus vs Facility 2 Plus)
	Worked Outside Home Last Date	Date patient last worked outside of home.	WorkedOutsideHomeLastDate	Does this refer to Patient or HCW?
	Expo Cat Audit Living Facility	Exposure category - Adult Living Facility. Yes No	ExpoCatAuditLivingFacility	TYPO in column header (Audit vs Adult)
	Expo Cat Critical Workplace ID	Exposure category at critical workplace. Yes No unknown	ExpoCatCriticalWorkplaceID	I don't know what this means
	Travel International ID	Did the patient travel outside the country 2 weeks prior to onset? Yes No Unknown	TravelInternationalID	TYPO in column header (TravelInternational vs Travel International)
	Expo Self Quarantining ID	Patient has been self-quarantining. Yes No	ExpoSelfQuarantiningID	Typo in column header (Quarat... vs Quarant...)
	Expo Self Quarantining Start Date	Date patient started self-quarantining.	ExpoSelfQuarantineStartDate	Typo in column header (Quarat... vs Quarant...)
	Expo Self Quarantining Reason	Reason patient chose to self-quarantine.	ExpoSelfQuarantineReason	Typo in column header (Quarat... vs Quarant...)
	Expo Social Gathering Reason	I THINK THIS SHOULD BE DELETED	NOT FOUND????	Title doesn't match variable. (and contents?)
	Expo Wore Face Mask ID	Patient wore face mask in exposure setting. Yes No	ExpoWoreFaceMaskID	Title doesn't match variable. (and contents?) I think survey says "do you have face mask"
Hospitalized Flu with COVID Coinfection	Hum Number 1 Flu	Accession number for a State Lab with format yyyy#####	LITSSpecimenID	Is COVID FORMAT the same FOR FLU??
	Hum Number 2 Flu	Accession number for a State Lab with format yyyy#####	LITSSpecimenID	Is COVID FORMAT the same FOR FLU??
	Living In Institution Flu	Yes No unknown. Was the patient with Flu living in an Institution during the 14 days prior to onset date?	LiveInInstitution	Is it 14 days prior for Flu too?
	Hum Number COVID	Accession number for a State Lab with format yyyy#####	LITSSpecimenID	TYPO in column header
Hospitalized Flu with RSV Coinfection	Hum Number 1 RSV	Accession number for a State Lab with format yyyy#####	LITSSpecimenID	Is COVID FORMAT the same FOR RSV??
	Hum Number 2 RSV	Accession number for a State Lab with format yyyy#####	LITSSpecimenID	Is COVID FORMAT the same FOR RSV??
	Living In Institution RSV	Yes No unknown. Was the patient with RSV living in an Institution during the 14 days prior to onset date?	LiveInInstitution	Is it 14 days prior for RSV too?
	Hum Number COVID	Accession number for a State Lab with format y LITSSpecimenID	LITSSpecimenID	Is COVID FORMAT the same FOR RSV??
